H. R.

G.O. No. G. 8674-5/ Gen. 3-25-27 dated 21-4-1926 directing the supply of clothing to the Mutchi of this office states that the supply should be once in two years in view of the fact that the Sessions are periodical & the clothing supplies last longer than one year. The present representation of the Mutchi is ~~a point~~ for Consideration.

Submitted for orders.

BVN, 27-4-28

Because the clothing supplied in the Sectt. was annual made in March 1926. the recommendation ~~was~~ / was from this office for a similar supply of annual clothing to the Mutchi of this office. But the orders of Govt. were that as the sessions of the A.C. and R.A. are only periodical the supply ought to last longer and that the supply should be made once in two years. The present appn. is for a reconsideration of these orders the applicant says that the supply does
